

SM-CDI SKILLS CODING SHEET

DATE: _____

NAME: _____

Instructions

This coding sheet is to be printed and used to record the number CDI Skills used in the CDI Videos (non-mastery and mastery).

1. Print 2-4 copies.
2. Watch CDI Non-Mastery Original video first and code the number of Behavior Descriptions, Reflections and Labeled Praise. (There are two more videos in this category: **with subtitles AND with subtitles and coded**. These transcribed and coded videos are for further learning.)
3. Enter the sum number of each skill in the Reliability Checker to check your reliability with a master trainer.
4. Repeat Steps 2&3 for the CDI Mastery videos.

Reminder: CDI Mastery is defined by having a minimum of 10 Behavior Descriptions, 10 Labeled Praises, 10 Reflections and fewer than 3 total Questions, Commands or Negative Talk. (If child has less than 10 instances of speech, then mastery is defined as reflecting 80% or more of Reflections.)
